CHAPPAQUA SUNSET

Chappaqua

GARDENS

CHAPPAQUA, NEW YORK

DAHLIAS for 1939

General Information

ORDER EARLY

To prevent disappointment order early. We do not substitute, but when ordering late, if possible, name your second choice.

TIME OF SHIPMENT

Roots will be shipped April 15th to June 1st. We will ship roots earlier, but do not guarantee stock shipped before April 15th. Plants are shipped from May 1st to June 10th.

TERMS

We require a small deposit with order, unless parties are known to us, balance before shipment. We will ship roots C.O.D. in which case the customer pays the charges. No plants are sent C.O.D. as this causes delay.

TRANSPORTATION CHARGES

We pay all ordinary transportation charges on retail orders amounting to \$2.00 or more. Twenty-five cents should be included with plant orders to cover special delivery except when there is no special delivery service at your post office; in which case, send 15 cents for special handling. No plants are guaranteed unless shipped as above.

GUARANTEE

We guarantee all stock to reach you in growing condition and to be true to name to the extent of replacement with true stock. While we take great care in filling orders, we cannot be responsible for the results of planting, over which we have no control. It is mutually agreed that we shall at no time be held responsible for a greater amount than the original purchase price.

ABBREVIATIONS

Straight cactus—St.C.

Semi cactus—S.C.

Incurved cactus—In.C.

Informal decorative—I.D.

Formal decorative—F.D.

Feature Flowers for 1939

CHAPPAQUA SUNSET—S.C.

A new Dahlia of rare, distinctive coloring and formation. The color is bronze with a golden suffusion, overlaid with a metallic sheen. The reverse is rose. The petals point forward and twist showing the reverse color. Blooms average 10 to 12 inches. Strong stems hold the flower at the proper angle well out of the foliage. The bush growth is vigorous, height 5 feet; luxuriant insect free foliage. Received the Award of Honor at the trial grounds of the Dahlia Society of Georgia for a valuable addition to the semi-cactus class. See front cover.

Roots \$10.00; Plants \$5.00

VIRGINIA RUTE

VIRGINIA RUTE—I.D.

If you like them large, don't fail to grow Virginia Rute. It is an exceptionally large flower on extra long stems. Blooms of deep rich velvety maroon with broad pointed petals, having tight centers, good form and substance are held well out of the foliage on long erect stems. Easily grows to immense size without coddling. 12 to 14 inches by 9 inches deep is attainable. The bush growth is vigorous, foliage insect resistant. Height 5 to 6 feet. It is one of the largest in its color class. The above photograph is of a bloom only partly developed and does not do justice to the variety, but we have used it to give you an idea of the formation.

Roots \$10.00; Plants \$5.00

Other 1939 Introductions

ALICE MAY (Morgan)—I.D.

A pure waxy white variety that will rank with the greatest to-date. The blooms are of tremendous size often 12½ by 8 without forcing. They remind one of a White Lord of Autumn with its petals folding back to the stem. It has the best of centers, and stems as stiff as a rod. Very sturdy, resistant and prolific. At Cleveland it defeated the newest and best in the white class and won as the best bloom in competition with all varieties. **Plants \$3.75 net**

THELMA CAIN (Cain-Parrella)—I.D.

This variety received a certificate of merit at the Storrs Trial Grounds in 1937 and at East Lansing in 1938. Color, light coral red, but jasper pink at the center and on the reverse. The giant blooms are held facing on cane-like stems. Insect resistant foliage. **Roots \$15.00; Plants \$5.00**

CHEERIO (Morgan)—In.C.

Full fluffy flowers of salmon-rose with long stems and good centers. Fine for basket work and an exhibition winner. Cheerio is a most prolific cut flower. Bushes often produce thirty perfect blooms that keep nearly a week when cut. Cheerio won first at Akron, Cleveland and New York. If you grow Dahlias for cutting don't miss Cheerio.

Plants \$2.00 net

MARGIE PARRELLA (Maxwell-Parrella)—F.D.

One of the best white cut flower varieties on the market. Blooms will open in full during the hottest days of July and August without being bruised or burnt. This variety is not only a prolific bloomer, but produces nearly twice as many blooms than any other commercial dahlia on the market. Size of bloom without disbudding, 7 inches or more. Flowers held facing. Won the blue ribbon over Jersey's Beauty at the New York Show.

Roots \$10.00; Plants \$3.34

VIRGINIA SHIPLEY (Cory-Dahliadel)—I.D.

This Dahlia first won in the Seedling class at Baltimore. It has been a consistent prize winner and a close runner-up for the Achievement Medal at New York and Camden. The bloom opens as a formal decorative and develops into an informal decorative. A good rugged grower, standing adverse weather conditions. Deep lemon yellow with a golden hue. Size 9½ by 6, bush 5 ft. **Plants \$3.50**

KEMP'S RADIANT BEAUTY—I.D.

This variety is a seedling of the bicolor Freckles, but more beautiful. The color is bright yellow marked with lines and dots of vivid scarlet, distributed just right to produce a pleasing effect. The flowers are very large and can be grown up to 12 inches. **Plants \$7.50**

We have many other 1939 introductions not listed here. We would be glad to quote you on your requirements.

Standard Varieties

Roots Plants

Ada Hoffman—I.D. Deep gold. Blooms average 10 inches or more. An outstanding 1938 introduction	\$7.50	\$2.50
Adirondack Sunset—I.D. Scarlet and gold	1.00

Betty Zane—I.D. Bright pink. If you like them large don't miss this one	1.00	
California Idol—I.D. Huge blooms of clear lemon yellow. A standout among the yellows	1.50	.75
Challenger—S.C. Brilliant cardinal red blooms with high tight centers. Has many winnings to its credit	1.00	
Chief Justice—I.D. Huge blooms of chamois	1.00	
Cherokee Brave—I.D. Large blooms of oxblood red 10 to 13 inches across. Prolific and early bloomer	5.00	2.00
Cometeer—St.C. A vigorous straight cactus Dahlia. Blooms of pure gold on long stems. Big bushes. Certificates of merit	5.00	1.50
Croix du Sud—Giant Anemone. The flower is composed of one row of deep red petals around a crested center of gold. Blooms average about 7 inches on stiff slender stems. A great novelty	2.00	
Dahliacraft—S.C. Light canary yellow much the color of Frau O. Bracht. Blooms 10 to 12 inches across	5.00	2.00
Darcy Sainsbury—F.H. Pure white flowers of perfect form. Grows to great size	3.00	1.00
Dean Anderson—I.D. An exhibition type in a new color. Huge blooms of radiant henna orange on long perfect stems. Very outstanding	3.00	1.50
Director Carl G. Dahl—I.D. Its immense size creates a sensation. Emberglow with a golden sheen. Size 11 to 14 inches. A Dahlia that will make you proud of your garden		2.50

Roots Plants

Director Marshall A. Howe—F.D. Very attractive blooms of velvety tyrian rose. The petals turn back to the stem. Strong slender stems hold the bloom facing	10.00	3.50
Dulcinea — St.C. Bright cardinal red. Narrow needle-like petals, stiff slender stems	1.50	.50
Elizabeth M. Caulkins—F.D. A real pure white that keeps well when cut. Free bloomer and early	1.50	
Emil Dokoupil. Large lavender	1.00	
Eugenia Ballay—I.D. Large light yellow75	
Fireball—F.D. Brilliant scarlet, vigorous	2.50	
Franz Berger—S.C. Coral red. Early free bloomer	1.00	
Frau Ida Mansfield—St.C. Buttercup yellow50
Frau Marie Kipke—S.C. Bright orange tipped with yellow. Long slender stems, ideal for cutting ...	1.00	.50
Freda George—I.D. Rich cream overlaid heliotrope, deeper at the tips		1.00
Genesee—F.D. Burnt orange75	
Germaine—I.D. Large blooms of carmine pink with a gold suffusion	5.00	2.00
Golden Standard—St.C. Large blooms of buff shaded amber. A great winner	1.00	
Greater Glory—S.C. One of the most beautiful Dahlias ever originated. Rose pink blooms of immense size on very long stems. Vigorous growth. Has many prizes to its credit	3.00	1.50
Haslerova—F.D. This variety is unusual in color. The background is gray dotted and splashed with rich royal purple. No Dahlia will attract more attention	2.00	.75
H. R. S.—I.D. Huge blooms of golden yellow. Always a satisfactory grower75	
Hunts Velvet Wonder—I.D. Flowers up to 15 inches across of true purple. Held erect on a fine stem	1.00	.50
Incandescent—I.D. Rich rosy buff. High centered flowers 10 to 13 inches across held facing on cane-like stems. A seedling of Jane Cowl	3.00	
Indian Princess—C. The finest of all red cactus Dahlias. Exceptionally full blooms of bright Indian red; strong grower, covered with immense sparkling blooms on good stems	2.50	1.25
Irene Anderson—S.C. Rosy cerise tipped white; easily grows to 10 inches	1.00	
Jack Benny—I.D. Flowers of Bittersweet orange of good size and depth on a strong bush		1.50
Jane Cowl—I.D. One of the finest Dahlias. Buff blending to apricot and rose at the center50	
Jean Trimbee—S.C. Petunia Violet, large75	
Jersey's Beauty — F.D. Most popular cut-flower Dahlia. The finest pink for all purposes25	
Jessica Dragonette—S.C. Huge blooms of buff apricot. Strong grower	1.50	.75
Julia Irene—I.D. Bright rose pink. A seedling of Kathleen Norris, but a better grower and will produce many more blooms than its parent	2.50	1.00
Julius C. Bunge—In.C. Medium sized flowers of intense pure pink with no shading of lavender. For sheer beauty this is outstanding		2.00
